Brandon Meeks  
Associate

Brandon is an Associate who earned his Massachusetts Real Estate Salesperson's License in 2024. A graduate of Liberty University, he earned a double major in both Finance and Economics.

Prior to joining OCP, Brandon earned the role of President of the Liberty University Real Estate Club after serving as the Director of Marketing for the club. During his tenure in club leadership, active engagement across all social media platforms tripled, average meeting attendance grew by almost 50%, and membership grew to the highest level in club history. Brandon built a reputation for supplying value to the club via partnerships with companies across the nation that secured internship and job opportunities for members.

Brandon joined OCP as a Research Intern during the Summer of 2023 where he conducted complex analysis that helped our team understand the condition of the market and better serve clients. Throughout the internship program, he developed his knowledge of the transaction process and accepted a full-time position at OCP.

At OCP, Brandon continues to serve clients unconditionally while adding value to their real estate strategy with relevant, tangible, and current information on industrial sales and leasing along the Rte. 2 West corridor of Massachusetts.
